

Training of trainers for the aid sector

PRÉSENTATION

This training course session will provide you with the appropriate methods and tools to design, facilitate and evaluate training activities, in order to develop the professional competencies of your team members and partners. Capacity building has become an essential issue in the humanitarian sector, as it directly contributes to the quality and effectiveness of aid provided to crisis-affected populations.

Our open training courses participants gave them an average score of 3.8/4 in 2020.

APPLICATION

Step 1: Application

The deadline for applications is two weeks before the start of a training course. Given the limited number of places for each course, it is preferable to apply as early as possible. If you are receiving support, it is recommended that you apply no later than 3 weeks before the start of the course.

To apply by clicking on the « Register » button below, please have your CV in PDF format. You will then receive an order form to return to us. Your application will be studied once you have completed and returned this order form.

Step 2: Pre-registration

If your application meets the necessary prerequisites, you will receive a pre-registration email. In order to finalize your pre-registration, you will be asked to pay the full amount of the training fees within a given deadline.

If you benefit from a partial or total coverage of the training (by an OPCA or by your employer), the financing agreement will have to stipulate the amount covered by the organisation.

Step 3: Registration

Once the payment of the training fees or the financing agreement of your OPCA is received, you will receive a final registration email, accompanied by a convocation with all the practical details relating to the training.
